BSNL to retrench another 20,000 contract workers: Employees’ union

PRESS TRUST OF INDIA
New Delhi, September 4

STATE-OWNED BSNL has issued a directive to all its units to curtail expenditure on contract works which is likely to result in retrenchment of around 20,000 workers engaged with the telecom firm through contractors, according to BSNL Employees’ Union.

The union also claimed that 30,000 contractual workers have already been retrenched under the company’s retrenchment process and added that all such workers remained unpaid for more than a year.

The union in a letter to BSNL Chairman and Managing Director P K Purwar said the financial condition of the company has deteriorated after

implementation of voluntary retirement scheme (VRS) and the faults in the networks have increased due to shortage of manpower in various cities.

The union also said that BSNL is unable to pay salaries of employees on due date even after VRS and 13 contract workers have allegedly committed suicide due to non-payment of wages for the past 14 months.

Queries sent to BSNL did not elicit an immediate response.

BSNL issued an order on September 1 with the permission of its human resource director asking all the chief general managers “to take immediate steps to curtail the expenditure on contract works and reduce engagement of labours through contractors”.

Norway’s Orkla buys 68% stake in Kerala-based Eastern Condiments

Eastern sources said that the valuation of Eastern in the deal is ₹2,000 crore and the company had a total turnover of ₹850 crore in the last twelve months ending June 30, 2020.

Hiranandani for revamping slum rehabilitation policy

PRESS TRUST OF INDIA
Mumbai, September 4

REAL ESTATE DEVELOPERS’

apex body Naredco’s national president Niranjan Hiranandani on Friday said there is a need to completely revamp the existing slum rehabilitation policy if the government expects developers to take up large developments projects.

Speaking at a virtual meet organised by the Builders Association of India (BAI), Hiranandani said that unless and until the government gives direct and indirect fillip to the construction, infrastructure and real estate sectors, India will not be able to achieve its target of \$5 trillion economy.

He said scrapping of the

bids for the Asia’s largest slum redevelopment project at Dharavi will further postpone development of the project.

“The slum policy was framed some 18-20 years ago and the concept was to complete the rehabilitation in 5-10 years. However, many process came into place and intervention at grass root level and it could not succeed. We therefore need a complete revamp of the existing slum rehabilitation policy and the entire financing mechanism should be restructured,” Hiranandani said.

Further, he said that under the existing market conditions, especially after the Covid-19 crisis, it is extremely difficult for any developer to take up new projects.
